

We are very excited to announce that we are now working with *The Ink Bin*- a specialist teacher-led business which supports pupils to collect empty inkjet printer cartridges. *The Ink Bin* pledge to recycle as much of the single-use plastic as possible and also send away some cartridges for refilling in order to reduce their carbon miles. For refillable cartridges, the company will give the school money which we can spend on exciting new equipment.

The project aims to support children to be as eco-conscious as possible as well as learn through enterprise. Wherever possible, it will be child-led. Please do check at home, at work and with friends and family to see if you have any old cartridges which can be brought into school- every cartridge makes a difference!
